Hello, Summer Camp Manager:

I would like to express my interest, accompanied by my resume, in acting as a Summer Camp Counselor this summer at [Stagecraft Summer Camp]. I am currently pursuing a bachelor's degree in Urban Studies and Planning as a Second Year Undergraduate at the University of California, San Diego (UCSD). I am seeking a position at the [Stagecraft Summer Camp] because I feel that it embodies my passion for both woodworking and theater.

In my previous experiences as a camp counselor as referenced in my resume, I guided children through experiences designed to be both fun and educational, making sure that learning doesn't feel like a chore. This experience demonstrated my ability to motivate and lead children through experiences that expand their knowledge in an entertaining way. The work that I completed resulted in a positive experience for all of my campers, always leaving with smiles on their faces, inspired to seek out knowledge on their own. Furthermore, I have also gained skills in woodworking through my theatrical production course in high school as well as woodworking in my free time. I helped design and build many of the sets for shows in my Junior and Senior years of high school. Combined with my stagecraft experience, I have a few years of acting/performing experience from my time in high school that equips me with skills that children may find entertaining and intimate knowledge of theater as a whole. Having performed in plays, musicals, and improv comedy shows, I'm sure I've got some ability to add some extra entertainment to education.

I am highly interested in this position as it aligns perfectly with my enthusiasm to educate our future in the fine art of woodworking. With my skills in guidance, education, and entertainment, as well as with the counsel of your mentorship, I am confident that I will be successful in this summer counselor opportunity. Thank you for your time and consideration, I look forward to speaking with you more about my qualifications.

Sincerely,

*R. Lenthall*
